Confined Space 3 Day Training Programme

This is a competency based program, practical skills need to be achieved after classroom presentation of information. Skill competency can only be achieved via repetition of skills until competency demonstrated. Time is therefore a factor in attaining competency, with three days deemed the minimum to achieve adequate competency levels. Ensure the training provider issues national competencies (see below)...AS2865 is not a competency, it is a standard of practice..

Participants will receive training in:

- Confined Space Legislation & Workplace Hazards & Safe Work Procedures
- Confined Space Risk Assessment & Documentation
- Confined Space Equipment, using CF harnesses, tripods & VED devices
- Atmospheric Hazards & the use of Gas Detection Equipment
- Breathing Apparatus and the practical use of SCBA
- First Aid and Life Support including CPR
- Fire Fighting Procedures
- Confined Space Emergency Procedures and Confined Space Rescue Drills

Participants are supplied the following learning materials in a satchel for the program:

- Confined Space Manual & First Aid Manual
- Risk Assessment, JSA & Entry Permit Blanks
- Breathing Apparatus Check List
- Fire Fighting Guidelines and Fire Extinguisher ID Chart

Upon completion of our confined space training program participants will receive a Statement of Attainment in "Units of Competency" in the following areas:

MSAPMOHS100A	Follow OHS Procedures
PUAEMR002B	Identify, analyse and evaluate risk
MSAPMPER300B	Issue work permits
MSAPMPER200B	Work in accordance with an issued permit
RIIOHS202A	Enter and work in confined spaces
MSAPHOHS212A	Undertake First Response to fire incidents
PUAEME001B	Provide Emergency care
PUAFIR207B	Operate Breathing Apparatus open circuit
PUAFIR307B	Monitor hazardous atmospheres
PUASAR025A	Undertake confined space rescue

Please note, if clients are sub contractors to Sydney Water, they will require the Sydney Water Procedures Accreditation, a medical fitness statement is required, copy available on our website..
